St. Lawrence Elementary and Middle School Jubilee

This year we mark the 50th anniversary of the founding of St. Lawrence Elementary and Middle School. To celebrate, the students enjoyed an entire week of Jubilee festivities with the week ending in a special Jubilee mass presided by Bishop McGrath. This celebration of the past serves to remind us of our visions for the future – a future where we continue to build community, build scholarships and build technology. Wherever the future take us, personal commitment will continue to be a key element in our success. Hundreds of donors and volunteers share their considerable time, talent and treasure with us so that St. Lawrence can continue to be outstanding. Just as today's St. Lawrence students benefit from our founding pastor's vision, so will the students of the coming decades benefit from our vision.
